

Maxwell Burson

Web Developer

(805) 441-6163 | maxwellburson@gmail.com | San Francisco, California
maxwellburson.github.io | linkedin.com/in/maxwellburson

OBJECTIVE

I am looking for great people to work with and tough problems to focus on while I continue to grow as a developer.

SKILLS / BUZZWORDS

Strengths: JavaScript, CSS, HTML, React, Sass, JSON, npm, Grunt, Babel
Other skills: Git, AJAX, REST, jQuery, Bootstrap, Java, C++, C, C#

LATEST PROJECTS

Game of Life

Simulates the game of life. Built with JavaScript, React, and inline styles.

Recipe Box

App stores recipes locally with web storage as a JSON string. Used React, JavaScript, Sass. Avoiding libraries like jQuery for now to bolster my JS skills.

EDUCATION

Free Code Camp, Online, Full Stack Development	2016-Present
Free Code Camp is an open source software curriculum. I have completed the Front End Development section and am finishing up the React section now.	
Allan Hancock College, Santa Maria	2013-2014
Fundamentals of Programming 1 & 2, Discrete Structures, Game Programming	
Classes taught in C, C++, Java, C#	
Arroyo Grande High School, Arroyo Grande	2007-2011
On FIRST Robotics software team for three years. Competed at worlds twice.	

EMPLOYMENT

Levi Strauss, Sales Assoc.	2014-2015
